

## How to Animate Text

1. It's easy to animate the text on your Web page. Just place your cursor in front of the word or words you'd like to animate. Next, click, hold, and drag until the word or words are highlighted. Let go.
2. Click **Format** on the menu bar. On the menu that drops down, click on **Animation**, then slide your cursor to the right and click on the animation you'd like to use. That's it!
3. To see how your animation will look, click on the tab at the bottom of the window that says **Preview**.
