Sparta and Haledon fifth graders are planning a year long ocean voyage. Scientists who are deaf and Spanish-speaking scientists have been chosen and will live and work together on the ship. They will be collecting data and conducting experiments to learn about the possibility of building an underwater settlement.

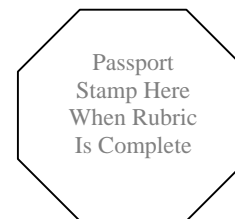

In preparation for this trip, you will need to create the following:

- A Sea Log for Communication
- Labels for the ship in ASL and Spanish
- A design for a Multicultural Resource Center for the ship
- A Power Point of the levels of the ocean, its sea life, and environmental concerns

The following pages outline each part of this trip.
