

# EXPRESS YOURSELF

Hello! Welcome to the Freshman Success Academy. In the Mae Jemison Academy, we are going to learn how to express ourselves. We will go beyond known forms of communication such as reading and writing, music, dance, mathematical and scientific equations. Over the next six weeks, we will be exploring forms of expressions people have used throughout the course of civilization. This is an exciting adventure of discovering many different modes of communication people used to share their thoughts and ideas. At the conclusion of this unit, your first theme project is to create a flag that represents your group's understanding of different ways to "express yourself."
