

## LATI Classroom Questionnaire

This class is based on a model called “the Learner-Active, Technology Infused” Classroom or “LATI” for short. The LATI model has the primary goal of enabling the students to take increasing responsibility for managing their own learning, both academically and socially. That is students, are responsible for both helping each other learn the material and for monitoring their own and each other’s behavior.

1. What do you like about the way the class is run? Why? Be specific?
2. What don’t you like? Why? Be specific.
3. Do you do homework for this subject every night? For how long?
4. Do you study or review the material (other than doing homework)? If so, how often each week?
5. Are you prepared for class each day? Explain.
6. Do you feel that the teacher offers enough help? Why or Why not?
7. Do you feel you are learning the material this way as opposed to a lecture/note taking form of class? Explain.
8. How could the class be improved? Be specific.
