### Adelie Penguins

Your class has won the chance to adopt a class penguin, but you have 5 different kinds of penguins to choose from. You and your group have to convince your teacher that the class should adopt an Adelie Penguin.

You are going to become a Penguin expert. Your group will be sharing what you know with your classmates and comparing your penguin with other penguins around the world. Think about where the Adelie penguins live, how tall they are and what makes them unique.
