

Durable Skills: Creativity

Tier 1: Foundations (Grades K–2)

I ...

- Use my imagination to create something new
- Try new ideas without fear of making mistakes
- Share creative ideas with others

Tier 2: Expanding Capacity (Grades 3–5)

I ...

- Combine different ideas to make something unique
- Generate new ideas to solve problems
- Take risks and try new approaches in projects or assignments

Tier 3: Agency & Transfer (Grades 6–8)

I ...

- Use brainstorming to generate original ideas
- Revise my work to make it more unique
- Apply generative thinking across subjects

Tier 4: Future Readiness (Grades 9–12)

I ...

- Innovate to improve a process or idea
- Express my ingenuity in authentic and meaningful ways
- Inspire others through my original, inventive work
