## August 4 – August 25, 2025 (two weeks of engagement)

	<p><b>NEW! Scaffolding Learning Experiences for ELLs</b></p> <p>Grounded in IDE Corp.'s 7 Essential Elements for ELL Support, this course equips educators with practical scaffolding strategies to enhance English Language Learners' (ELLs') comprehension and engagement. Participants will explore structured supports while providing students with independent learning resources through differentiated instruction, creating inclusive learning environments that foster academic success and language development.</p>
	<p><b>Using Formative Assessment to Drive Instruction</b></p> <p>Explore the structures and strategies you can use to gather formative assessment data to drive instruction targeted for increased student achievement. Design formative assessments for use with your students that can be used anytime.</p> <p>Participants in this course will use Dr. Nancy Sulla's book <i>Reinventing the Classroom Experience</i> as a resource. The assigned book must be <a href="#">purchased</a> in advance.</p>
	<p><b>Structures and Strategies to Support Individualized Learning</b></p> <p>This course will help you rethink instruction to prioritize differentiation and scaffolds that meet the needs of all learners. Participants will deconstruct their curriculum to identify and teach to the power standards in ways that build foundational standards in the process.</p> <p>Participants in this course will use Dr. Nancy Sulla's book <i>Reinventing the Classroom Experience</i> as a resource. The <a href="#">assigned book</a> must be purchased in advance.</p>
	<p><b>PBL Implementation</b></p> <p>Deepen your knowledge of the power of PBL with a focus on implementation strategies. Design differentiated digital activity lists with multiple ways for students to learn, develop content facilitation grids and questions to support student-driven learning, and implement four types of formative assessments throughout the PBL unit. <i>Note: Participants will apply course content to a previously created PBL task and rubric.</i></p> <p>Participants in this course will use Dr. Nancy Sulla's book <i>Students Taking Charge</i> as a resource.
