

*We partner with you to implement practical, research-informed practices that shift the way educators, students, and parents think of school! We focus on student engagement and empowerment in equitable learning environments to build academic resilience, social and emotional learning (SEL), and, ultimately, efficacy.*

**Let's Help  
Students  
Change  
The World.**

## **IDE Corp. – We ARE Innovative Designs for Education!**

- Customized Professional Development
- Innovative curriculum design
- Leadership development
- Six books on instructional innovation

### **Key Topic: Technology Infusion**

#### **Goal: Maximize the Use of Technology for Learning Anywhere, Anytime**

*The pandemic highlighted the need to make better use of technology to support a learning environment that works as well at home as it does in school.*

- Technology as a tool for communication, collaboration, and assessment
- Technology to support social and emotional learning (SEL)
- Technology to foster a problem-based approach to curriculum and learning
- Technology to design powerful instructional videos and learning activities
- Technology to foster differentiated instruction so all students learn at high levels
- Maximizing the digital venues students love (such as gaming) to promote learning
- Technology to build executive function and academic resilience
- Technology to promote equity and culturally responsive teaching
- Technology to support Multi-Tiered System of Supports (MTSS)
