- 1-Hour Personalized 1:1 Virtual Follow-Up Meeting

\$249 per person/per session - Pick one Tuesday or more!

Register for the sessions by selecting the links provided here:

June 24th

Balanced Leadership:
Maintaining Focus,
Clarity, and Impact

Maintain balance as a leader by intentionally navigating priorities, urgent tasks, and key conversations.

Gain strategies for reflection and planning through distributed leadership, personal support systems, and mindful moments.

July 8th

Leading with Nuance
for Building Your
School Brand

Explore subtle leadership strategies to shape and communicate your school's identity.

Delve into the subtle power of leadership tone, presence, and messaging to leverage your school "brand" and lead with your mission in mind.

July 29th

Leading Your School
with a Strategic
Outward Lens

Adopt user-centered approaches to enhance student, parent, and faculty experiences.

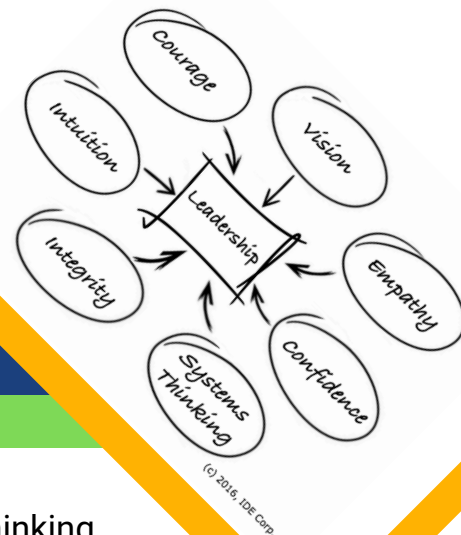

Learn how to apply principles of user experience (UX) to school leadership—ensuring every encounter is intentional, engaging, and empowering.

August 12th

Strategies for Leading
Shifts: Making the
Most of a Moment

Learn to leverage everyday interactions for meaningful organizational change.

Turn daily actions into strategic leadership moments. Gain tools to lead with intention in real time and guide your team through change—one meaningful moment at a time.

Deep Learning. Connected Experiences. Personalized Follow-Up. Lasting Impact.
