### **About Our Self-Paced PD Experiences . . .**

- Find them at [learn.edquiddity.com](http://learn.edquiddity.com)
- 25 to 30 hours of content engagement
- Videos, e-texts, examples, resources, self-checks, and insights
- 10 to 12 topical modules per experience that can be navigated in any order
- Current PD Experiences:
  - Reinventing the Classroom Experience: Learning Anytime, Anywhere
  - The Equity Lens: Reflecting on Your Learning Environment
  - Increasing Engagement with Differentiated Activity Lists
  - Building Executive Function: Skills for Life
  - Anchoring Learning and Increasing Engagement Through 5 Ps of PBL
- Licensing fee: \$99 per participant; discounts on more than 500 participants

### **How You Can Use Them . . .**

- Get every educator in your district or school connected.
- Faculty and department meetings: Discuss a specific module or resource.
- PD days: Have educators tackle a module together, brainstorm ideas, and design materials.
- PLC meetings: Have educators identify a need related to a module, brainstorm ideas for addressing it, and determine a data collection plan to take action and track their progress.
- Classroom observations: Use the PD Experience topic as a lens in observations; discuss “next steps” through the modules, offering the teacher targeted resources.
